

The image shows an aerial view of an industrial facility, likely a wastewater treatment plant, with a grid overlay for spatial reference. The grid consists of 24 rows (A1 to A24) and 28 columns (A1 to AI1). A large area in the center and right is outlined in red, indicating a specific zone of interest. Within this red-outlined area, numerous smaller red rectangles are drawn, marking specific points or structures. The background shows various industrial buildings, large circular tanks, and construction areas. The text 'Basel ARA Flugaufnahme 30.08.2019 A2 / 1 : 600' is located in the top left corner.
